It is not believed that extensions of time or fees for net addition of claims are required beyond those that are otherwise provided for in the documents accompanying this paper. However, if any additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned, and authorization to pay any fees required therefore (including fees for net addition of claims) is given in the accompanying transmittal letter. Authorization to pay any other fees related to the present application that are not otherwise provided for in the accompanying documents is likewise given in the accompanying transmittal letter.
